WHO WE ARE

We are Mobile Equipment Service Options,
but you can just call us, M.E.S.O.

Introduced in 2014, we take cutting-edge technology and a lifetime of professional experience to offer safe and supportive maintenance services that move your business forward. Expert technicians provide all of the necessary maintenance and repairs for your truck, trailer, and equipment fleet. Our service vehicles are equipped to handle any situation, including full preventative maintenance, emergency service calls, and full service inspections. When you need fast, reliable assistance, trust M.E.S.O.

OUR APPROACH

When servicing your assets, M.E.S.O. is proactive, not reactive. Using telematics deeply rooted in the Internet of Things, we empower you with intelligent insights to ensure maintenance and repairs are done effectively and efficiently. Time is money, which is why it's our priority to employ our team close to your business, delivering the fastest possible response time to get your critical equipment up and running.

MOBILE EQUIPMENT SERVICE OPTIONS

M.E.S.O. has partnered with **Triad Technologies**, a leading distributor of fluid power and automation products, to provide quick and easy service to get the parts you need to defend against downtime.

Triad Technologies is located at our headquarters in East Liverpool, Ohio and is fully stocked with hoses, fittings, adapters, and couplings for all your hydraulic, pneumatic, and industrial needs.

- Custom Hose Assemblies While You Wait
- 24/7 Emergency Hose Replacement
- Expert Service from a Certified ParkerStore Specialist
